Wiesbaden VTF offers routine veterinary services, radiology, and sick-call appointments. Patients are seen by appointment only. **At this time, we are unable to provide surgeries or accommodate emergency cases.** In the event of an emergency, you should take them to an off post provider. The VTF webpage is the best recourse for up to date information. http://www.wiesbaden.army.mil/sites/services/veterinary_services.asp

Importing Pets

Importing pets information link:
<http://phc.amedd.army.mil/topics/animed/vtfo/Pages/AnimalImport.aspx>

Health Certificate -- All pets traveling by air will need a health certificate completed by a veterinarian which is generally valid for no more than 10 days from date of issue.

USDA Microchip requirements - Pet dogs, cats, and ferrets must be identified with a microchip compatible with ISO standard 11784 or 11785 or the appropriate microchip reader must be provided along with the pet.

Contact the airline in advance to determine applicable airline carrier regulations for shipping pets.
