

USAG R-P MASS WARNING AND NOTIFICATION SYSTEM

Smartphone Application Setup & Use

ATHOC NOTIFIER

The **USAG R-P** Mass Warning and Notification (MWN) system includes a mobile notification smartphone application in addition to several other forms of notification such as desktop alert, email, phone, and text message. The AtHoc Notifier is a smartphone app which displays as a purple globe on your main mobile phone screen with the rest of your mobile applications. The AtHoc Notifier is available for iOS and Android smartphones.

INSTALL THE ATHOC NOTIFIER

The AtHoc Notifier can be installed in just a few easy steps.

Required: Before you download and install, you must have an active email set up in the USAG Rheinland-Pfalz Mass Warning and Notification system.

STEP 1. Search for and Download the AtHoc Notifier app from the Apple App or Google Play stores.

STEP 2. When the download is complete, open application and enter your active email address associated with your **USAG Rheinland-Pfalz MWN** system account when prompted.

STEP 3. AtHoc Notifier will send a verification email to confirm your address. From the email, copy the part of the link [that starts with the m in mobile and ends with the e in true] Open Internet Explorer and type <https://> followed by the copied text. [Ctrl + v to paste]. The email address will be verified.

STEP 4. Return to the application on your mobile device and add the **USAG Rheinland-Pfalz MWN** organization code (**usa-rhein**) as prompted. You have completed the installation.
